16

# MarCorSysCom (IP)

## *Operation Iraqi Freedom (OIF) Warfighter Support*

❖ UNS Requirements:
- ✓ Personal Role Radios for I MEF (Marconi- UK)
- ✓ "Sophie" Thermal Imaging Binoculars for I MEF and USMC Detachment @ SOCOM (Thales-France)
- ✓ 8000+ tactical batteries (Israel, Canada, Denmark, Bahrain, Netherlands, Greece)
- ✓ M1114 Export Variant HMMWVs (37) from Israel (USMC led negotiations for repayment)

❖ Specialized Search Dogs (SSD) (Program initiation and oversight)
- ✓ Program transitioned to HQMC after successful fielding of 5 SSD teams

❖ Supporting PM CIED priority Jammer fielding

17

# SCETC

## Mission

- Coordinate Marine Corps education and training programs in support of Department of Defense Security Cooperation efforts to enhance interoperability with allied and coalition partners in the conduct of traditional and irregular warfare and in support of the global struggle against violent extremism

**USMC LEAD**

# SCETC

## Advisor/Training Team Training

- Establish advisor training standards

- Establish a formal advisor training program

- As tasked, train deploying OIF/OEF Transition Teams

- When established, train the Marine Corps Advisor Group

- Train miscellaneous SC advisor/training teams

# SCETC

## Civil-Military Operations

- Provide outreach to Service and partner organizations. PKSOI (US Army), DoD (OSD/NII, DSCA), DoS, NGOs.

- Infuse CMO into the training and education continuum

    - Integration of CMO scenario/non-governmental organization coordination into MEF Mission Rehearsal Exercises (MRX)

    - Support Command and Staff College interagency immersion

- Establish and provide formal training for artillery regiments with secondary mission of CMO (OIF/OEF)
